DATES FOR FAIR ARE ADVANCED

At a meeting of the directors of the
Faulkner County Fair Association
held in the office of Manager J. A.
King last night, it was decided to advance
the dates of the fourth annual
fair to the second week in October, instead
of the first week, which was the

time of the three previous fairs. The
fair will open on Tuesday, October 8,
and close on Friday night, October 11.
This will put the Faulkner county fair
on the week between the White county
fair at Searcy, October 1-4, and the
Conway county fair at Morrilton, Oc-
tober 15-19.

Manager King was instructed to
proceed to get out the annual cata-
logue, and a number of other prelim-
inary matters was discussed at the
meeting.

COL. ROOSEVELT TO SPEAK HERE

WILL STOP AT CONWAY

FORMER PRESIDENT TO MAKE
SHORT SPEECH HERE SAT-
URDAY AFTERNOON.

Theodore Roosevelt, former presi-
dent, will make a brief stop in Con-
way and speak from the rear plat-
form of his special train Saturday
afternoon between 3 and 5 o'clock.
This information was received this
afternoon by Cashier L. H. Pyle of
the Bank of Conway, an ardent
Roosevelt admirer, from J. A. Comer
of Little Rock, president of the Ar-
kansas league of Roosevelt clubs. The
exact time and length of the stay of
the distinguished visitor will be an-
nounced later.

As this will be the first time a man
who has been president of the United
States has ever stopped in Conway, it
goes without saying that a large
crowd will be present to greet Col.
Roosevelt here.

Col. Roosevelt is scheduled to de-
liver an address at Wichita, Kan., on
Friday night. He will leave Wichita
on the regular train for Fort Smith,
where a special train will be waiting
for him. Col. Roosevelt will speak
from his train at various stations in
Arkansas along the Fort Smith road,
and will arrive in Little Rock between
5 and 6 o'clock Saturday evening. He
will remain in Little Rock until 12:45
o'clock Sunday morning.

Col. Roosevelt will speak at 8
o'clock Saturday night at the Auditor-
ium in Little Rock. The building will
be lavishly decorated for the occa-
sion, and a number of brass bands
will be engaged.

President Comer and other mem-
bers of the Roosevelt Club will meet
the colonel at Fort Smith and accom-
pany him to Little Rock. At the Uni-
on station there he will be met by a
committee of 200 members of the
Roosevelt Club.

HENDRIX TEAM WINS OVER OUACHITA, 8-1

LOCAL COLLEGIANS' FIRST
GAME OF THE SEASON IS
AN EASY VICTORY.

Hendrix College's first baseball
game of the season yesterday after-
noon resulted in an easy victory over
their old-time foes, Ouachita College,
the score being 8 to 1.

Bush made his debut in the box for
Hendrix and twirled a beautiful
game, holding the hard-hitting Arka-
dian to three safeties, one of
which resulted only because the rules
give a hit to the batter when a run-
ner is hit by a batted ball. All of the
Hendrix youngsters showed well,
Young playing a perfect game at
first and making four hits, one a
triple. Clark made a spectacular one-
handed catch of Courson's long drive
to left, doubling, Muse going to third,
Savage of the visitors also made a
pretty catch in left, robbing Clark of
an apparently sure hit.

An error, a base on balls, a single,
a double steal and Stevenson's home
run, gave Hendrix three scores in the
first inning and the game was never
afterwards in doubt. Score by in-
nings:

	R	H	E
Hendrix	3	10	0
Ouachita	1	0	0

Batteries—Bush and Parker; Cox
and Muse. Umpire—Erwin.

FRAUENTHALS MAY BE LOST ON SHIP

RELATIVES OF LOCAL MEN

I. G. AND DR. HENRY FRAUEN-
THAL AND BRIDE WERE ON
ILL-FATED TITANIC.

Two cousins of the Frauenthal fam-
ily in Conway were on board the ill-
fated steamer Titanic, which struck
an ice-berg off the New Foundland
coast and was sunk Monday morning.
They were Dr. Henry Frauenthal and
his brother, I. G. Frauenthal, the
former being accompanied by his bride.
Whether either of them was saved is
as yet unknown, as the news by wire-
less telegraph from the scene of the
terrible disaster is as yet very
meager.

Two thousand one hundred people
were on board the mammoth liner,
which was making her maiden voyage
across the Atlantic. Of this number
about 1,300 were passengers and
about 800 belonged to the crew. The
ship struck the ice-berg shortly be-
fore midnight Sunday and sank into
water two miles deep about four
hours later. Before sinking wireless
messages were sent from the stricken
vessel and answered by several other
ships, all of which hastened in the di-
rection of the disaster. The Carpathia
was the first to reach the Titanic's po-
sition, arriving about daybreak. This
ship reported by wireless as follows:
"Carpathia reached Titanic position
at daybreak. Found boats and wreck-
age only. Titanic sank about 2:20 a.
m. in 41:16 N., 50:14 W. All her
boats accounted for, containing about
675 souls saved, crew and passengers
included. Nearly all saved are women
and children. Leyland liner Californ-
ian remained and searching exact po-
sition of disaster. Loss likely total
1,800 souls."

It is believed here that this is an
error—unless the Titanic had more
passengers on board than reported.
The list as given out showed 1,310
passengers and a crew of 860, or 2,
170 persons in all. Deducting 675,
the unknown saved, would indicate a
loss of 1,495 persons.

Dr. Henry Frauenthal, whose fate
is as yet unknown, is a cousin of As-
sociate Justice Sam Frauenthal, Jr.,
Henry and Charles Frauenthal of this
city. He is also a personal friend of
Dr. George S. Brown, who has met
him frequently on his trips to New
York. Dr. Frauenthal is widely known
in the medical world. He is chairman
of the executive committee and sur-
geon-in-chief of the Hospital for De-
formities and Joint Diseases, a large
New York City institution. Dr. Frau-
enthal was married only about three
weeks ago at Nice, France, and was
on his return voyage. He was accom-
panied by his brother, I. G. Frau-
enthal, an attorney of New York City.
The members of the family are anx-
iously awaiting further advices from
the disaster and still have hopes that
their relatives may be among those
rescued.

CHARGED OF SELLING MORTGAGED PROPERTY

On a charge of disposing of mort-
gaged property, Mack Hutchinson, a
negro, was held to the grand jury un-
der a bond of \$300, after an examina-
tion before Justice of the Peace W. B.
Wilson yesterday afternoon.

Gus Bush of Vilonia is spending to-
day in Conway on business.
